

Wirral Christian Centre

12th October 04

Dear Sam

We are sorry that you feel that you cannot come in to have a meeting with the Pastoral Team.

Over the last several years we as a leadership team have shown nothing but love and care for you and have spent many hours between us all trying to help you.

Despite our best efforts you are obviously unwilling to cooperate with us in helping you in your Christian walk, and it has reached a point at which you have become a negative influence in the church. Therefore we have come to the decision that you should no longer attend the Wirral Christian Centre.

We hope and pray that you will resolve your difficulties and be able to fellowship in another church.

Yours sincerely
